**FOR IMMEDIATE RELEASE**  
*November 7, 2006*

Needham, MA - Thomas G. Heger, P.E. of DM Berg Consultants, P.C., Structural Engineers, has received recognition as a LEED® Accredited Professional from the United States Green Building Council. Mr. Heger serves as President at the firm and will incorporate his knowledge of LEED® standards into upcoming “green” projects, such as Mattapan Community Health Center with Steffian Bradley Architects.
