*FOR IMMEDIATE RELEASE
October 26, 2005*

Structural engineering firm, **DM Berg Consultants'** recent work includes **Taunton Crossing**, a new mixed retail development with DSH Design Group; **Revere Beach Housing** with Steffian Bradley Architects; and the historical renovation of Boston City Hospital's original **BCD Building** for use by Boston Medical Center with Burt Hill Kosar Rittelmann. Completed projects include the new seven-story residential tower at **Mill Creek Condominiums** in Chelsea with Pro Con, Inc.; **704 Main Street**, a new 3-story wood frame apartment building with steel framed retail area along Main Street in Falmouth with CBT Architects; and the multi-story **Ocean Plaza Apartments** in Revere with Mintz Associates. Congratulations to Thomas Queally on his promotion to Production Manager. The firm also has a new website www.dmberg.com.
