DM BERG CONSULTANTS, P.C.  
570 Hillside Avenue  
Needham, MA 02494-1297  
(781) 444-5156*

**FOR IMMEDIATE RELEASE**  
*December 2, 2003*

Structural engineering firm, **DM Berg Consultants'** recent work includes the Rhode Island School of Design's renovation and conversion of 3 floors at the Hospital Trust Building from a banking institution to a library with Office dA; new residential/retail building in Falmouth with CBT Architects; and the conversion of Massachusetts Mills in Lowell from mill buildings into apartments with Joseph R. Mullins Company.

The firm welcomes Claudia Johnson, P.E. and Leonard Weiss to the engineering department; Adriano Carvalho to the CAD department; and Diane Mutchler to the front office.
